Point in Time Homeless Count- 2019

For the first time, Delaware asked PIT-night respondents additional questions to get a better sense of homelessness in Delaware. Below is the distribution of these results.

Inpatient in a Medical or Mental Health Facility within the last 12 months

Evicted by landlord in the last 12 months

Incarcerated in your lifetime?

Year	Percentage
2018	38%
2019	* 32%

* 9% of those surveyed were released from the correction system within the past year
