

Delaware Continuum of Care

# System Performance Outcomes

Continuum of Care Meeting

4/17/2019

# Successful Permanent Housing Outcomes

*Draft Target: 60%*

## FY 2017

- ▶ **44%** of households served by shelters, transitional housing programs, and rapid re-housing programs left homelessness at the end of the program for a permanent housing destination

## FY 2018 *Draft*

- ▶ **41.5%** of households served by shelters, transitional housing programs, and rapid re-housing programs left homelessness at the end of the program for a permanent housing destination

# Length of Time Homeless

*Draft Target: 10% decrease, to 67 days*

FY 2017

- ▶ On average, people experienced homelessness in Delaware for **75 days** before returning to stable permanent housing

# Returns to Homelessness

*Draft Target: decrease rate of returns to 20%*

FY 2017

- ▶ **22%** of people that left homelessness for permanent housing returned within 2 years

FY 2018 *Draft*

- ▶ **23%** of people that left homelessness for permanent housing returned within 2 years

# First Time Homeless

*Draft Target: 10% decrease*

## FY 2017

- ▶ **78%** of people who experienced homeless were homeless for the first time (in 2 years)
- ▶ 2,836 people

## FY 2018 *Draft*

- ▶ **68%** of people who experienced homeless were homeless for the first time (in 2 years)
- ▶ 2,140 people

# Group Breakout Activity

- ▶ Work as a team with your table to brainstorm ideas for how Delaware can realize improvements in these outcomes
- ▶ Your table will be assigned a metric to discuss and provided a handout to complete and turn in
